

TROOP 4 MILFORD

Scouts and Families,

As a part of Troop 4 Milford, your scout will take part I many different scouting activities. Throughout the year, scouts, parents, and friends of the troop may take pictures during these diverse activities. Scouts, parents, and friends are then welcomed to submit these photos to the troop for consideration for inclusion on our Troop 4 website, currently located at <http://www.troop4milford.org/>. Pictures will of course be screened first, and only those deemed suitable and appropriate will be included on our website.

Allowing photos of your scout and/or family members to be posted on our website is a valuable outlet for your family and others to be able to see, first-hand, the many activities in which your scouts have been involved. These photos are also important so that cub scouts and their families are able to view the creative and abundant activities that are unique to Troop 4. This Photo Release Form must be on file before any pictures of your scout may be posted. Note, Troop 4 will not post the names of any scouts or persons under the age of 18, and only the names of those over the age of 18 on a case by case permission basis.

This being said, please **check one box** below.

<input type="checkbox"/> I give my permission for Troop 4 to place pictures of my family or my son on the above website. Furthermore, I hereby release BSA Troop 4 of liability with regard to posting pictures of my family or my son on the website.
