

Conor Maier

EAGLE SCOUT BANQUET

June 18, 2016

Conor joined Scouting as a Pack 32 Tiger Cub in 2006. His den, led by his mother Sandy, was very active with many outdoor adventures for the boys. His favorite Cub Scout memories include: many hikes, including Purgatory Chasm, sleepovers at the Museum of Science, the USS Massachusetts with his dad, and the Paw Sox Games. Two highlights he remembers most were winning the chariot race at the Cub Scout Olympics and taking first place at Pack 32's Pinewood Derby. He earned Cub Scout's highest award, the Arrow of Light, after which he joined Troop 18 in 2011.

Conor's favorite activities with Troop 18 were: a 50-mile bike ride along the Cape Cod Rail Trail, zip lining in Charlemont, Camp Squanto Winter Campout, and a five-day backpacking trip along the Appalachian Trail.

In seventh grade, Conor transferred to Troop 4. Some of his favorite Troop 4 Memories include the winter campouts at the Lanciano's cabin in New Hampshire, the Order of the Arrow Ordeal at Camp Resolute, snowshoeing at Wachusett Mountain, and the Canoe Trek at Camp Sebattis in upstate New York in the summer of 2015.

Conor's Eagle Scout Service Project involved designing and building a ticket booth for the Milford High School turf athletic field. The booth provides a dry, secure place for ticket sellers to work. His project involved 262 hours of preparation and community service. Conor organized and led nine volunteers in completing the project. During the project, Conor learned leadership and organizational skills that will assist him with the demands of college and a career.

Conor is quite active outside of scouts as well. He volunteers at the Unitarian Church's Sunday meal program and the Special Olympic wrestling program. He is just completing his sophomore year at Milford High School where he is a member of the football, wrestling, and baseball teams. Conor plays both the trumpet and the cello. He is a member of the School Council, Best Buddies, Peer Mentoring, and holds two part-time jobs.

After high school, Conor plans to attend college with interests in engineering, aviation, and the military. Conor also plans to continue his international culture and language interests.

Conor's advice to the younger Scouts: "Go all in" and "Complete what you start".
