

# Neil Bogner

## Eagle Scout – Troop 4 Milford

Neil joined Scouting as a Pack 4 Bear when he was in Third Grade. Neil was a member of the Patriot Patrol, led by Mr. Howes. Neil's most memorable Cub Scout experience was the Pinewood Derby. He always had fun at the Derby's, despite not placing very high in the competitions. In Fifth Grade, after earning Cub Scout's highest award, the Arrow of Light, Neil joined Troop 4.

Neil's favorite activities with Troop 4 were the many trips the Troop took to various locations. Neil enjoyed the adventures, and the time spent bonding with his fellow scouts, particularly on the High Adventure trips. When asked his one special experience in Scouts, Neil reminisces about the trip to Maine "when we hiked Katahdin and canoed along the Penobscot River".

For his Eagle Scout Service Project, Neil constructed and installed two benches at West Hill Dam. Neil also cleaned up the area where the benches were placed. Neil's project taught him to "manage 'his' time and resources in a responsible way to complete my project".

Neil is quite active outside of scouts as well. He is a senior at Mount St. Charles Academy, where he is a member of the band, swim team, and tennis team. Neil also works at Dunkin' Donuts part time, utilizing his teamwork and leadership skills. His job has taught him "how to efficiently work with others".

After graduation, Neil plans to attend college where he wants to study Business or Sport's Management.

Neil shares his advice for the younger Scouts: "Go on as many trips as possible because it will deepen bonds with other scouts and make scouting infinitely more enjoyable."

Congratulations Neil!
